Headmaster's message

If in fact memories are created, it stands to reason that there are those who are responsible for the creation of these memories. At the expense of abusing the concept of Pop Culture, I would suggest that we have uncovered a new Super Hero at Selwyn House...The MEMORATOR! The Memorator is a person who has the power to create lasting, important, riveting, and substantial memories. At Selwyn House that person is none other than Mr. Bill Bedard. For years he has demonstrated vision, passion, dedication, and commitment. He has put forth an effort that is an example of what modelling is about, and we all need to be grateful.

It has been another remarkable journey at Selwyn House. In fact, it was quite a year filled with surprises, adventures, turmoil, success, lessons, and much joy. The year has gone by with a pace that is really quite extraordinary. The Selwyn House experience is unlike any other experience. VERITAS was a major part of the year, and this yearbook is a testament to all that transpired.

Through the efforts of Bill, these memories now stand out. We can re-live everything that took place at school and through the story telling magic of photography, we can create a true vision of what took place. This is such a gift. It is our reality. To experience the true impact, I encourage you to look carefully at each page. Re-create in your mind the magic of Selwyn House and enjoy the experience. These are moments that need to be cherished.

Et ce fut toute une année! L'année scolaire 2014-2015 a été remarquable à tellement de points de vue. Il y eu des triomphes et des échecs, des hauts et des bas, ainsi que des moments chargés d'émotions, mais au final et en deux mots : l'année a été excellente. Le présent album de finissants occupera une fois de plus une place bien spéciale dans ma collection d'objets précieux. Il continuera de me rappeler tout ce que représente l'école Selwyn House, et tout ce que cette école a de formidable à offrir. Il constitue également le reflet de la contribution de l'ensemble de notre milieu. Cet album est une archive importante pour le plaisir de tous et je souhaite qu'on ne le tienne jamais pour acquis.

Of course this yearbook would not be possible without the support of so many who have added greatly to the success of this publication. Everyone involved, from the six new advisors to the middle and elementary school students who worked on the yearbook, has again risen way beyond the call of duty. Leadership is so vital and again, I want to express my deepest gratitude to Bill Bedard for providing all the leadership that was required. Bill, you have kept alive a legacy, and this publication is an example of all you stand for. Thank you for all you do. We remain in awe.

Enjoy your personal voyage through the pages of this publication. Watch the memories come alive, and what memories they are. The VERITAS experience will never leave us.

Read on and enjoy!

BRAND **New** ADVISORS BRAND **New** DESIGNS

This book is step one of a two year renewal of the yearbook. These two pages are an example of the designs that will be used in the 2015-2016 yearbook. People take a while to adapt to change, so we only changed a bit this year, but you'll notice what we did! *Bill Bedard - Yearbook Advisor*

With the new designs, we will include many more stories. Stories that we want you to help us write. We're looking for students in all grades to become involved in putting the yearbook together. We need writers, photographers and designers. There's something for everyone!

IT'S A BOOK? weRmore

The yearbook is more than a collection of pictures. It is a time capsule that holds onto memories for when we're older. It's fun to look at the pictures and remember last year, but five years from now you will be a different person and long after you're finished at Selwyn, this book will stir up memories of 2014-2015.

GOOD WORKERS NEEDED

George Pamel

Zach Wagman

Zach was the hardest working yearbooker in Grade 11. He and George did more for this book than any other students.

Advisors do not normally put pages together. That is the creative role that students take on. Vlad and Samir will work harder in 2015-2016 than any other editorial team before them.

Samir Gouin

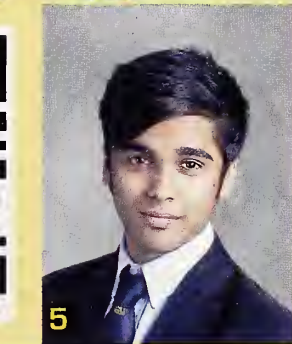

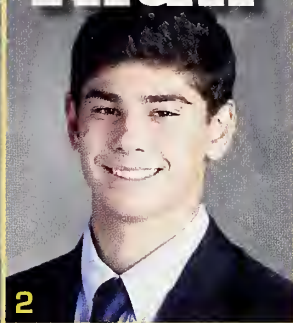

Vlad Jones

They are in charge of putting together the 2016 Yearbook. They need a team of about 25 guys. Ready to help?

It's **Your Book!**

"Look for quotes from students of all grades in little sections like this when we ask questions of the crowd. Yearbook@selwyn.ca asks a lot of questions. Your answers might appear in the book" *Your quote here*

More Than Pictures

BEFORE:

any of this will work for you, the Aurasma app must be installed on your smart phone, or tablet. Try the QR code if you need help with Aurasma.

DURING:

your stroll through the pages of this yearbook, you might try the Aurasma app with a few of the pictures in the book. Video magic hidden in the yearbook!

AFTER:

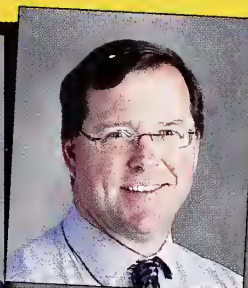

you have seen one of the movies, tell a friend or post it on Facebook. Let the Selwyn World know that you were the first to see the video.

1- Michael Lapenna is the lead aura editor in the class. He produced more auras than anyone else this year. 2- Will Malouf is a big fan of sports (that's a hint). 3- Max Murdoch has an eclectic taste when it comes to video. 4- Anthony Rivera won the 2015 Media award for his continued efforts in class. 5- Ambar Srivastava produced a variety of videos including some travel auras (that's another hint). Try Aurasma with this photo.

The Senior Media Team worked on this all year.

SHS Media

Auras are videos that are triggered by photos when viewed with the Aurasma app. After downloading the app, follow the SHS channel and you will be able to see all the auras produced for this book. There are about 20 short videos triggered by some pictures. Think *buried treasure!*

Class of 2015

I couldn't have asked for a better last year of high school than my year at Selwyn. I learnt so much over the past year from my teachers and classmates. Thank you

Jordan

Although my experiences over the years I've spent at Selwyn House haven't always been smooth sailing, I am thankful for the efforts of the staff that allowed me to become a successful student. I would like to give a special thanks to Mr. Paoletti and Ms. Palko for being the most influential during my transition as a student at Selwyn. I would also like to thank Terry, my Mother and James, my Father for their unconditional support throughout my years at Selwyn. I can't forget to mention how honored I am to have the opportunity to graduate with such a majestic group of boys. Love you guys and hope you all live your lives to the fullest!

In the last five years, Selwyn has become a second home for me. I have met many crazy and fun guys who I now call brothers. From the Grade 7 Amazing Race all the way to the Grade 11 Grad Ski Trip, I have created a ton of memories. There are countless times I'll remember including lunch times with the boys, dominating the grade nines at fooseball, and fooling around after school. Not only was Selwyn a place to have fun, Selwyn has prepared me for my future. Selwyn has helped me discover and develop my skills. I could not thank my parents enough for sending me into an institution like this. Without the help of my parents and Selwyn, I would not be the person I have become today. With great pride, I admit to graduating from the best school ever. I wish the graduates good luck in their future and thank them for helping me on this amazing journey.

My 5 years at Selwyn are 5 years I will never forget. I can safely say I'm friends with everyone in my grade but there are some of you boys I can call brothers. KP, DM, WM, DW, TH, TG, ML, RC, KK, NP, JA, AG, NB. The memories/stupidities I've been through with you boys will last forever. I'd like to thank my parents for giving me the opportunity to attend Selwyn, I wouldn't be writing this without them. I'd also like to recognize a couple coaches, MM, PG, AP, TD, AL, You men have all helped me grow as an athlete and I'd just like to thank you for that. Selwyn is an amazing school and whoever has the privilege of attending should soak it all in because my 5 years flew by faster than I could ever imagine. It feels like it was just yesterday Justin Tabah was leading me into the agora where I'd see what Grade 7 English class I'd be in. Thanks for everything Selwyn, I'm proud to call myself a Gryphon.

"A man who doesn't spend time with his family can never be a real man." - The Godfather

Time flies, but it leaves its shadow behind. That shadow is 6 years filled with memories, bonds and lessons that I will forever cherish. Time has taught me what countless hours of studying, homework and class never could. That someday, everything will make perfect sense. I would like to thank Sammy Lamanuzzi and George Pamel for being that kid with the shaved 2 in his hair's first and last friends. Without forgetting Dre, Ribmaster, Bewyn, Swagman, Vito and Wendy's. Thank you all for spending the past 6 years with me and for being the family that has made me the man I am today. Although our time at Selwyn has run out, our memories and friendships are forever.

To the class of 2015, I wish you all health, wealth, love, and everything else your heart desires.

Yours truly,

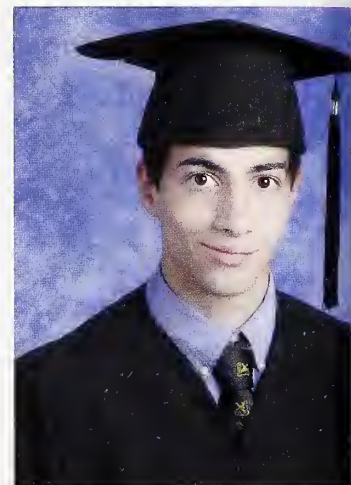

Paintbrush, Prince Meech, Mamabird, Chubmaster, Nolie, No chill Nolan, and last but not least, Nolan William Bedard.

Your Memories of Mahdi:

Boys, these past 5 years have really made me glad I chose to come to Selwyn House. So far, the best memories of my life have been made with you guys, whether it be the adventurous journey, OSLC, the France football trip, the Italy rugby trip, or the grad ski trip, I have always had the best time with all of you. I'm kind of sad that it's ending but at the same time, I'm excited for what is yet to come. I know that it's cheesy and every grade probably thinks it but, I really do believe we're going to be successful in the future. Either that or we're all going to be arrested. And in 5, 10, 20 years from now, if you're reading this, give me a call, I'll never be too busy to talk to an old friend.

Your Memories of Matthew:

It has been a long journey learning lots of things. What I enjoyed the most is having great times in drama with buddies and hanging out with friends. Thanks a lot to my parents for helping me out on my studies giving all the help possible and sticking by me in even my darkest times.

I won't pretend that I like going to class; I hate going to most classes, but I do love being at Selwyn. I have been in seven schools and this is the best one. I've had fun playing sports, having acted, as well as games of basketball, football and tennis.

Always hand in the homework if you want to pass.

I've been at SHS for 12 long years that now seem short and the realization that the journey is coming to an end is pretty overwhelming, but life moves on and Selwyn is just a milestone in my life. SHS is a special place for me, it is what crafted me into the gentleman that I am today. It is my foundation. I have never wished that Selwyn was co-ed because the fact that it is just guys makes the brotherhood factor so much stronger. Everyone is a proud Gryphon and we're not afraid to show it, you don't see LCC students posting LCCGOD everywhere. No one but us students will understand the special bond that is formed over time and with personal experience. I would like to shoutout a couple teachers that made my journey that much more special: KB, TD, MD, LM, LF, CD, AP, BM, EH, MA (the plug). Thank you to all the people behind the scenes that make everything possible, thank you to Mr. Mitchell and Mr. Hannaford, thank you to the old and new kitchen staff. The biggest thank you goes to my parents and my brother for always being there for me and teaching me what it is to be a man. Last thing: shoutout to the Yung Boyz, I love all of you :)

It is incredible that after five years, I must now leave Selwyn, the place where I grew up. Two blazers, two shirt sizes and five inches around the waist later, I've reached the finish line of my Selwyn career, and I'm happy to say that it was a great race to run. I have learned so many things here; of course, there are math and science, two subjects that I do love, but above all, Selwyn has taught me the importance of appreciation. I can easily say that every one of you has contributed in some way in shaping who I am today: the best guy I know. I am sincerely grateful for the support, friendship, and love that my friends and teachers have given to me along the way. No matter how many times I said "that's hot" in the halls or critiqued what you were wearing on free dress day, you have never stopped being great guys, and I am so lucky to have been able to grow up surrounded by all of you. Thank you all so much for allowing me to be myself.

Shout out to the boys!

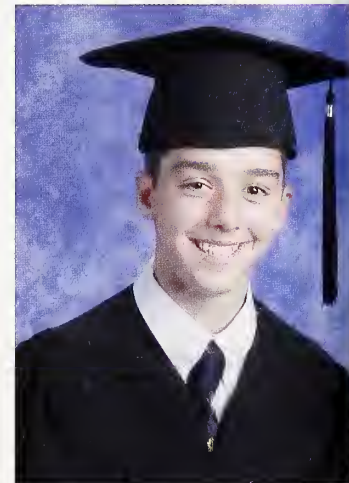

Twelve years at Selwyn and wow, what a ride this has been. Leaving Selwyn is a day that I never thought would come, but now that it's actually happening it feels surreal. I've been blessed with so many opportunities over the years, but now I finally have to say goodbye to trips like Halifax and the "wave", the beach in Bermuda and the sea lions in the Galapagos Islands. Let's not forget the grad ski trip, a trip where the boys came together and that we will remember for the rest of our lives. My time at Selwyn has been filled with plenty of unforgettable memories, and I only have those around me to thank for this. My family and teachers have always been so supportive, and I'm so thankful for them helping me become who I am today. I remember walking into the front desk the first day of kindergarten behind my mom, scared of what lay ahead. However, I'm now proud to say I've grown and matured with a great group of guys who have all become my close friends. Being at Selwyn is a chapter of my life I will never forget and cherish forever. For 12 years I have been waking at 7 every morning to go from my first house to my second one, Selwyn House. It seems like it all started yesterday. There are no words to describe how I feel about this place and it saddens me to think that Friday, May 29th, 2015 was the last time I got up at 7 to come to Selwyn. This school has shaped me into the man I am today and I am grateful for that. Along the way, I have met incredible guys I am happy to call my brothers. These are the types of friends I want by my side for the rest of my life. Gryphon football - you are on the field with each and every one of your brothers. The success of this team came from playing with your family, and you never let anything bad happen to family. Selwyn has pushed me to become a harder working, more motivated, and happier individual. I have been taught to manage my time accordingly and even made time for 5a7 in my Grade 11 year. All I have to say is: Selwyn, Thank You. Grad was amazing, I love all you guys. A quick s/o to these guys: MF, JP, ZW, JG, MB, GB, DW, JA, SS, WG, JA, KM, RC, PC
Merci mes amis, santé!

Not once did I ever wake up and I think "I really don't want to go to school today". To me Selwyn was more than a community. It was a family. As a lifer, I'm happy to say that I couldn't have spent 12 years at a better school. From students to teachers, everyone at Selwyn is a friend. Starting in Kindergarten and ending in Grade 11, every single teacher along the way has supported me and pointed me in the right direction. To my grade, each and everyone one of you are brilliant, there is no other group of guys I would have wanted on this ride with me. To my fellow prefects, it's been an outstanding year. And finally, to my brothers, JP, DW, YL, JA, the times we've had in these last couple of years have created memories to last a lifetime.

Cheers,

I would like to thank my mom and dad for their incredible support throughout my 12 years at Selwyn. It has been an honor to spend the years with some of the greatest guys, and I hope I get to keep the friendships I've made for a long time. The both of you gave me this opportunity and I couldn't thank you enough.

I would also like the thank all of the staff who put in countless hours into helping us through my time here. You all made my experience the best it possibly could be, so thank you!

As my final year at Selwyn comes to an end, it's starting to get harder and harder for me to come to terms with the fact that I will soon have to say my goodbyes. Having been a student here since kindergarten, this school has become something like a second home for me, so it makes it that much sadder to have to leave. The more I think about it, though, the more I realise how lucky I was to have been given the opportunity to go to this school. I made some unforgettable memories and made some great friends along the way. I'd like to thank my parents for letting me go to such an awesome school for the past 12 years.

Whether it was in Grade 7 with ML, having indoor snowball fights or having random dance battles with JC in Grade 11, we always found a way to have a good time, and that's something that this class has going for them. Through the plethora of hard work, disastrous lunch lines and the life changing foosball matches, there was always excitement and liveliness that you cannot find anywhere else. Selwyn is filled with many courageous teachers and staff, who I believe deserve great thanks for sticking around and supporting me as well as my peers, the best they could. I would like to thank my parents for supporting me despite all the good and bad times, as well as giving me access to amazing opportunities whether it had to do with school or travelling to the UK to pursue my somewhat odd hobby of beatboxing. Shout out to ML, JD, JK, AS, MR, and JC for all the moments we share, I cherish, and will never forget.

My time at Selwyn has truly been a blast. I can say that my education has gone much further than mere assignments and essays. From the time I walked in the building in Grade 6, I've forged lifelong friendships and made countless memories that I will undoubtedly never forget. When I look back, I remember all the good times we had as a class from Grade 7's Camp Papillon to the final grad weekend festivities. I'd like to thank my family for their endless support and for the opportunities they've given me to succeed in school. They have stood by me and I'm forever grateful for what they have done for me. As for the staff and faculty, I sincerely thank you for making Selwyn House such a unique place. From the morning doughnuts in chemistry with Mr. Boyle to our jamming sessions with Mr. Becker, it's right to say that you make our time at school great. Finally, to the friends I've made throughout the years, my days at Selwyn wouldn't have been the same without you guys. Good luck to the Class of 2015.

After all these years at Selwyn House, it's hard to believe that playtime is over and that CEGEP has to come in and take out all the fun. It's pretty rare to have a school where at least 99% of all students walk in everyday with a huge smile and are excited to be there. It's really the simple fact that there's no other school, which creates a stronger bond between your classmates and especially your boys. There's "friends" and then there's your "boys." Those are people that will have my back for a lifetime and vice versa. First off, let's start with Mr. Deegan. I mean I really don't think it gets funnier than that, all while he taught an amazing Outdoor pursuit course, and an unforgettable Spanish class. Mr. Becker, A.K.A, uncle "AL" was legit an uncle to me and made me look forward to his classes every week since grade 6. Mr. McCarney set the tone for me at Selwyn being in his class in grade 7 & 8: "This ain't no pre-school." Mr. Bracewell knows everything. He made trivia crack a lot easier for me. Finally, huge s/o to the squad GB, MB, WG, RC, JA, KM, CT, OC and to the rest of my boys in the grade. Without them, my experience at Selwyn wouldn't nearly be the same. #FTB

Boys ont est arrivé!! The end of our Selwyn careers but the beginning of our own journeys. Over the past years I've been at Selwyn, I cannot thank anybody more than all my brothers for making it the best experience of my life! No matter where we end up in the future, we can reflect on all the great memories we made together. I've learned some amazing things and a lot about myself at Selwyn but I must say above all what I will retain is the value of friendship. I thank you all for being there through this memorable chapter in my life! Je vous aimez les gars!

Who knew 12 years could go by so fast? Firstly, I would like to thank my biggest supporters, Maman and Dad. They have always been there for me no matter what and I can't thank them enough. Selwyn wouldn't have been fun without the boys, you know who you are. I'd like to thank the staff for putting up with my grades and shenanigans, it mustn't have been easy. I'd like to thank all the teachers and a special thanks to the Athletic Department, without them I wouldn't have been allowed to hit people. A few unforgettable events come to mind: the Italy Rugby Tour, the Grade 11 Ski Trip, winning the football championship in Grade 9, pretending to be asleep during nap time, etc. But in truth, every day was a memorable moment for me. I've never been happier to be part of this family at Selwyn House, good times were had without a doubt. If it weren't for the people at Selwyn, I probably wouldn't have shown up most days. I consider you all my brothers. Now I'd like to leave you advice: "There's an old saying about those who forget history. I don't remember it, but it's good." -Stephen Colbert
Fav Moment at SHS : Football Champions Gr 9

There are lots of people at Selwyn I'm gonna miss, from students, to coaches and yes even some teachers. But there are a select few at this school that I will miss the most and those are the people on the football team. From St-Jean training camp to a rough loss against Bourget. You boys are the closest to a family away from family that I have and I am honoured to call you guys my brothers, even you coaches. From RB, DW, JP, JTK, PB, JA, KP, TG, NB, ML, ML, WM, DM, GP, WG, HI to MB, you boys are my Grade 11 brothers. Selwyn has been a great journey that has been a huge part of my life. I consider this place my second home and is somewhere that I am not afraid to express myself. It is a great place to be and I will never forget it. Thank you to my parents for being there for me along the way and thank you to my coaches for making school not always a question of grades.

I need to thank many people for the life changing opportunity of attending Selwyn House. Attending an educational facility like that which houses the Gryphons was one of my greatest honours. The love I have for the school and my peers is absolutely unimaginable. After missing most of Grade 11 to play hockey in the QMJHL, I've had time to realize just how lucky everyone attending Selwyn House really is. You never know what you've got until it's gone. Selwyn House is an amazing school and I hope everyone appreciates their time here. Use it to your fullest. ABCDEFGHIJKLMNOPQRSTUVWXYZ, these are the initials of all my friends. I will forever be thankful and in debt for the experience I was granted - being a Gryphon. The greatest highlight at Selwyn was just being able to be with my second family everyday. I will always be a Gryphon. Gryphon Pride Is Forever. In all our future endeavors I wish all you boys luck, and hope we all stay in touch. The future holds no boundaries. You can take me out of Selwyn, but you can't take the Selwyn out of me. I Love You Boys. My Friends. My Brothers. -Turbo

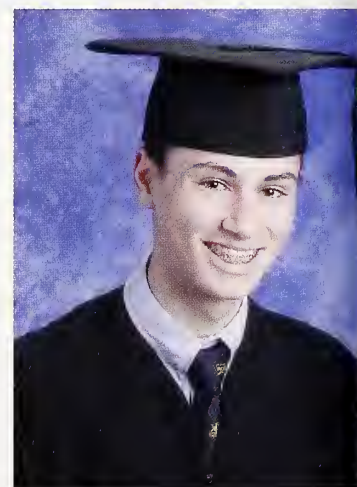

I honestly can't believe how fast these past four years have gone by. It feels like just yesterday that I walked the halls for the first time and met this crazy bunch of guys. Selwyn has been like a second home for me. It has allowed me to grow as a person and to truly be myself. Shoutout to VS and TC for being there for me no matter what and being the best-friends I could have asked for, I love you guys. I'd also like to thank my parents, for always believing in me, my teachers, for always pushing me to be the best student I could be, and lastly, the boys for making these past four years one hell of a ride. From the lockers being put into the bathrooms to getting my bag stolen too many times (S/O to NJ and PC for that one), all you guys made my time at Selwyn eventful and amazing. You guys are my brothers and I will always love you all.

After spending 6 years at Selwyn House, it has finally all come to an end. SHS has been a central part of my life for 12 years and I'm extremely sad to be leaving. I feel immensely thankful towards my Mom and Dad for having supported me and for sending me to this school. SHS is a community of individuals devoted to supporting each other. I can't imagine life without it. I'm deeply grateful to my teachers and coaches for helping me realize my potential and develop as a young man. Special thanks to AP, PG, KF, NG, SJ, MZ, CM, BB, MM, BM, JB, PS, CL, DG and HH. The friendships I've fostered and the memories I've formed will last a lifetime and I wouldn't want to share them with any other group of boys. GCE, NP, PC, JH, TC, AW, NC, JLH, SL, and MB, I'll always remember you guys. Special shout out to AS, YL, KS, the prefects and all the lifers! Ce fut une belle course, les garçons, mais l'heure de partir est arrivé. Les apprentissages que j'ai faits dans la classe et en dehors me sont indispensables. J'aimerais dire mille mercis pour ces années inoubliables et je suis sûr que nous allons nous revoir bientôt. I would like to start by thanking my parents for their amazing support and constantly pushing me to be better. I came to Selwyn House in Grade 7 from Spain with very little English and no French whatsoever. At first, I was scared of being thousands of miles away from home, but Selwyn took me as one of its own and made me feel like I actually belonged here. I also want to thank all the teachers that had to put up with me through these five years. During my time at Selwyn I have made countless numbers of great memories with amazing friends, which is why I'm sad this journey is over. Hope to see you all soon.

"Damn, Antonio stole my girl again!" - Everyone

While my time at Selwyn House started off rocky, over all I feel my time at Selwyn was well spent in good company. I've never been one to write a lot (ask any of my English teachers) so I'll keep this short. I'd like to thank all of my teachers for being patient with me even when I'd dodge their work and for making school just a little more bearable. I'd also like to thank my friends who helped motivate me to finish my work and stuck with me through thick and thin. Specifically I'd like to name: MM, ML and MW. Thank you all for an amazing last couple of years.

After 3 amazing years, I can't believe my Selwyn career has come to an end. When I first got to Selwyn right at the end of March break in Grade 9, I wasn't really sure what it would be like, but from the very first step I took into the Macauly building I knew this was going to be the start of something different. The whole Selwyn ambiance was different to any other school I've ever visited. Selwyn is not any ordinary school but a place for guys to be guys and I can't believe my time at Selwyn is now up. It's been a hell of a ride, I've built a relationship with my classmates like no other. They are no longer friends, but family. Couldn't ask for a better group of brothers. Shout Out to my boys: KP, JV, GM, WM, DM, RB, GP, ML, ML, MB, TG, WG, AG, TH and ZW. Thank you all for the craziest memories and the best 3 years of my life.

Honestly, three years ago attending an all boys' school was not high on my wish list! But here we are three years later and it turns out that I am looking back on the best three years of my school life! The friendships I have made at Selwyn are going to last a lifetime, I met some of the best guys at this school, and I will truly miss this place so much. Selwyn has taught me so much about life and about myself, I share so many memories with the group of guys I can now call brothers. My heart sincerely lies with the football team, my second family, and the bonds I have made on that team are unbreakable. I will miss absolutely everything about this school, and wish you all much success in your future endeavours but will not say "Goodbye" but rather, "See you all later"!

Just the thought of leaving Selwyn behind is tough for me. I've spent twelve years at this school and I honestly feel at home. Everyone keeps telling me that I'll be fine next year and to not worry. I'm not worried because I know that I won't be going alone. I'll be leaving with my boys. They know who they are and I know they'll always be there for me. Even if we go to different schools, I'm confident our friendships won't end. From all the nights in my basement to the countless soirées at the stairs, I guess you could say I'm happy with the friends I've made... Enthusiasm. If it weren't for Selwyn I definitely would not be the person I am today. I'd like to thank all the teachers who helped me get through my time here and my parents for not sending me to LCC, I love you very much. I'd also like to take this time to shout out the sides who got me through High school. It's been a hectic career, but we're finally graduating! I'm proud to call myself a Gryphon!

The 5 yrs I've spent at SHS brings a smile to my face. Not too many students can say that they looked forward to going to school everyday, but I did. So many memories created at my home away from home, ones I will cherish forever. The daily shenanigans that went on here, are ones that only a Selwyn boy could truly appreciate. Our inside jokes, dropping trays of food, and sneaking past Mr. Downey to avoid the tunnel, to name just a few, will be sadly missed. Flashbacks of Mr. Bouskill's projects, quizzes, and history inquiries seem a lifetime away, yet it seems like just yesterday. I'd like to thank my teachers DG, NAC, LF, CL, BM, PS, TD & MD for their encouragement and support when I truly needed it. Mom and Dad, I can't thank you enough for giving me this incredible opportunity and for helping me to realize my goals. And finally, to the BOYS. It's been both an honour and a pleasure to share this journey with you, thank you for making our time here at Selwyn so amazing and memorable, we won't know what we had until it's gone...true story. Congratulations to the class of 2015, I wish you all success in whatever avenue you pursue.

I only came to Selwyn at the beginning of grade 10, but now that I'm leaving I feel like I've been here for years. You've all provided me with amazing memories, most of them I'll never forget. This is why you're all family to me, even though we don't all get along.
RUN AND HIDE - JP, PC, NC, BH

As the year slowly winds to an end, I find myself in utter disbelief that I am actually graduating. High school is no more but a memory in our hearts. As I start a new chapter of my life, I will be forever grateful to Selwyn for providing me with the tools I will need to succeed in the future. I am especially thankful to my teachers that have made my experience here pleasant: to KB, TD, DG, and BM for fuelling my passion for science, to CL and SS for fostering my logical thinking skills and judgement, to LF, LP, and PS for teaching me how to write, à EJ, VA et MT de me permettre d'apprécier la langue française et la culture québécoise, to JM and CP for introducing me to student leadership. Thank you Mom and Dad for raising me up into the person I am today. NJ, PC, AS, JLH and NC, thank you for giving me the energy to come to school every day. To the rest of my class, we made it! Our sense of kinship, and cult mentality can never be replicated. Indeed, this is not a goodbye-- rather, a 'see you later.' Thus, even though "the song has finished, the melody lingers on."

The Malouf dynasty at SHS has come to an end. For 21 years, this place was not only our school, but our second home. After 11 years at Selwyn I am finally graduating, and I must say, it hurts to leave. I'd like to thank my teachers and coaches for putting up with me, for pushing me to my full potential and for inspiring me to become better and better: MM, MD, JM, PG, AP. I'd like to thank the boys for all the memories and making my experience at Selwyn so much more memorable: WM, RB, KP, KK, ML, TH, RC, JA, DW, TG, NP, JP. No matter what, you guys always have my back. I couldn't have done it without my family. I'd like to thank my parents for giving me the opportunity to go to such an amazing place. Without them I'd be lost. Chris, Pat and Steph, thank you for always being there for me and guiding me through high school every step of the way. Will, none of this would have been the same without you. Love you all!

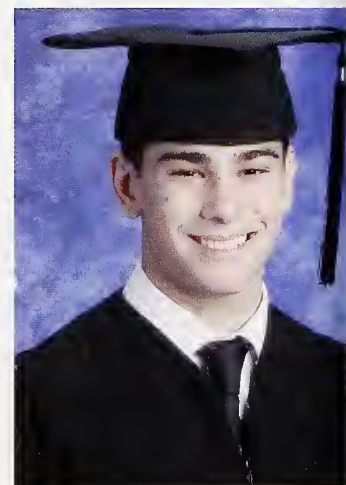

To the Grads of 2015, I salute you, and may your dreams become your reality.

In 1994 the first Malouf walked into Selwyn and 21 years later, the last two leave. When I came to Selwyn in the first grade, I watched my older brother Patrick graduate and I knew I had a long way ahead of me. But it all went by in a flash and I have grown tremendously on the journey. And so, the Malouf Dynasty at Selwyn comes to an end. I owe my thanks to so many people. Firstly, thank you Coach Maurovich, Coach Govan and Coach Paoletti for all the lessons and the memories. But what would it all be without my brothers? DM, RB, KP, KK, ML, TH, RC, DW, JA, NP, TG, JP. You boys have turned this school into my second home. From the field to the classroom you all had my back. Thanks Mom and Dad for everything there's too much to list. Steph, Pat and Chris thank you for always being there for me and for all the good advice. And lastly, Dan, none of this would be the same without you. To the whole fam, I love you.

I've been at Selwyn for 12 years and in 2015, I'm graduating as a Lifer. when I think of my academics and friendships, Selwyn comes to mind. The experiences that I have had over the past 12 years make me grateful to be a part of the Selwyn community.

Matthew
Millot

Your memories of Matthew:

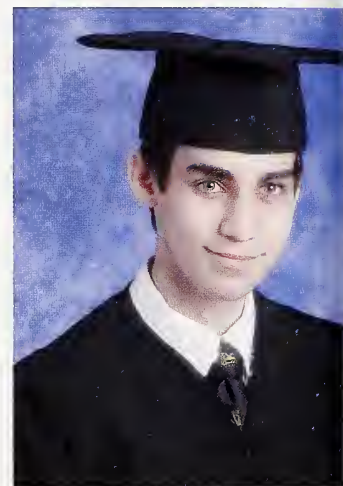

I will admit that Selwyn House has some pretty amazing teachers. Like Cory Deegan, Jonathan Merritt, Natalie Gervais, Kelli Poulin and many others however if I mentioned them all then we'd be here all day because they take up like 50% of the school's staff. Now that I'm graduating I'm looking back and am realizing how much I actually appreciate the people here and what this school in general actually did for me. Not only do I get a fantastic reputation leaving this school but thanks to Selwyn I had it hilariously easy. A lot of people I know can't say a single good thing about their school and I get the feeling that everyone here did in fact like it here. So in the end not bad Selwyn, not bad at all.

It really hasn't sunk in that walking through Selwyn as a student is no longer a possibility. I'm proud to call myself a lifer at a school that has continuously gone the extra mile for me, and not only to prove that they are the best, but because they sincerely care about their students. There isn't a single person at Selwyn who I can't thank, so to avoid writing a book, I'll avoid names. I would like to thank my parents, my sister, every teacher, the directors, the dean of students, the headmaster, and especially my friends. Selwyn is another home to me and I know I can continue to call it so for the rest of my life. I'm looking forward to the future more than ever now, ready for change, although I know deep down, that nothing will ever replace Selwyn House.

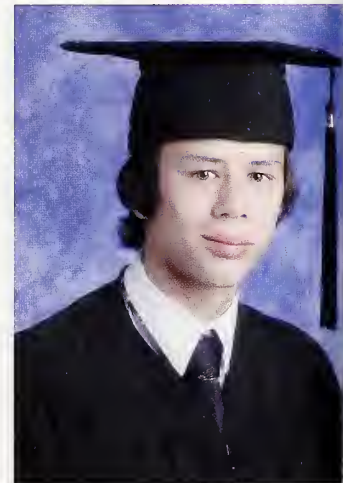

In Grade 6, I was given the choice - LCC or Selwyn. Conflicted I turned to my brothers, the LCC student said "Do whatever you want," but the Selwyn student said "Go to Selwyn." I'm glad to have made the decision I did, happy I chose Selwyn to be my home and 63 other students to be my brothers. The experience wasn't just made sweet by my friends but by the amazing staff as well. CD, DG, KB, PS, JM, MD, VA, JB you are amazing teachers and you all helped change a life. AW gets her own sentence because she's awesome and runs senior school. My coaches added to the thrilling roller coaster called high school, CL, AP, PG, CN, but most of all the most over qualified professional at the school RM for being there for me when I had layers on trying to drop the last 0.2, your time and dedication to my excellence is greatly appreciated. To the younger kids - enjoy every second you have here (except Gr. 8) because it's the only way I would have liked to spend my last 6 years. After 11 years at SHS, my knowledge of the real world grew just as much as my academic knowledge. At Selwyn I learned what a urinal was (as well as not to pull your pants down when using it). I learned how to write a proper critical essay, how to quote Shakespeare, and how to use Google Translate when writing in French. I'd like to thank the faculty, specifically, AL, MP, MH (for always making sure I had my ID), PS, AP, BM, KB, TD and MB (who still owes me a trip to 3B). Of the memories I've had here, none would've been as great without my boys SL, NB, NP, JTK, and PB. SL for trying to stab me in Grade 1. NP for always making sure my ego was in check. JTK for those unforgettable music festivals. PB because he's my day 1. And NB, who always has my back, even on Twitter. We would've been great cellmates. S/O to my baby brother DW whose finish game is almost as weak as mine. For the deep talks, close calls, subtweets, and wild nights, I thank you boys. Lastly, I won't forget all the 5a7s, "school projects", and Tikki Beach. Thanks for an amazing childhood, Selwyn!

It's really weird to finally have made it this far. Grade 7 and 8 was a time I was highly considering going elsewhere due to academic struggles. I am so glad that I stuck with it and I am so happy and lucky to have developed so many friendships and make so many memories. Huge shoutout to the 5a7 SQUAD, my boy OC and joe's panini, and to all athletics teams I was ever on. Football and Rugby was where it was at, and to all hockey players, I am so sorry I couldn't help you contribute to your flawless 16-0 season (L-W). Thank you to my parents, I am so happy to have attended this school. The only thing I regret is not coming here earlier. To all my brothers for making this journey unforgettable and last but not least, all the coaches & teachers who have put up with my numerous absences, taught me and have shaped me into a better person on and off the field. Special thanks to HH who reminds me about my ski technique, it has helped. HUGE shoutout to BM for an unreal Mock Trial and for kindling my passion for law. To my Grade 11 brothers, I will forever cherish the moments we've spent together, especially Grad Ski Trip. Time flies by when you're having fun, wish I hadn't blinked. Love you boys, long live the class of 2015.

Your memories of Kiriakos:

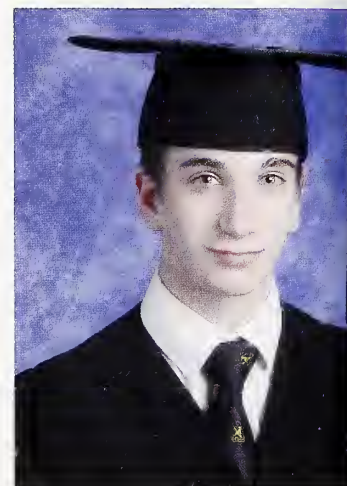

Selwyn House has given me so much despite being here for only 4 years! Life skills, great friends, confidence and it shaped my character greatly. As the years go on, I can't wait to seek out new adventures and challenges without any hesitation. Every single teacher is unique, when it comes to teaching and understanding how to handle us boys when we can get out of hand at times. I appreciate their patience and tolerance towards us, we would not have gotten anywhere without them. Our parents play a big role in our lives; they have also helped us grow into proper men and supported us throughout our struggles in life. I hope all future students take the opportunities that this great institution has to offer, not only can they help you achieve goals but they inspire you to continue pursuing your dreams. Looking back on my four years at Selwyn House, I can see how being part of such a great group of guys has changed me into who I am today. Sharing moments with friends that resemble more like brothers and having experiences that a teenaged boy can only dream of, is basically what my years at Selwyn House were all about. With the year coming to an end, the most exciting part is up ahead. Making more moments with the brothers made at Selwyn House is what I am most looking forward to. It's been a long journey but that journey couldn't have been possible without the help of MS, GV, ZU, HI, ZW, and GM.

I can't begin to explain how fast these five years have gone by. At the beginning of the year I looked forward to graduating and starting the next chapter of my life. However now at the end I can only wish for one more year. One more year of Mr. Downey telling me my uniform is inappropriate, mastering the Mr Grier's "struggle with it" and of course skipping class to go play game cube. Selwyn has not only provided me with the tools to succeed in the future but also given me great memories with my friends. I will never forget all the memories we have shared but most of all the rugby trip to Italy. I would like to thank my parents for guiding me through the high school experience and always being there for me. I would also like to thank the teachers from Middle School to Senior School for answering the hundred questions I asked everyday. After five great years I am saying goodbye to Selwyn House. I will never be able to forget the people that I have met here, and the amazing memories that I have made. It's funny to finally be graduating after looking forward to this day for so long, it has always just been a day way off in the distance, but now it is here. I look back happily on the years I have spent running around the ever familiar halls, getting into random wrestling matches during class, and rushing to class right before attendance. Selwyn has been my home for the past five years, and always will be. I have discovered so many things at Selwyn; wrestling, robotics, acting. Countless friends and teachers have turned every day into a new story to one day tell, and have made every trip that I went on unforgettable: Cuba with Mr. Moore and the wrestling team, biking with Mr. Boyle, skiing with the boys, camping in the middle of nowhere, P.E.I, messing around in the halls of hotels (Québec, Niagara, Toronto...) as well as our mini trips for lunch out! Thank you to all of the people who made these five years the absolute best!

My time in Selwyn House has been incredible, I have learned so much in these past twelve years and I would like to thank my parents, my two older brothers and my classmates who have spent this amazing time with me. These years will stay with me for the rest of my life, so many events have happened and have shaped me as a person and I am glad to say it happened at Selwyn House. I would like to thank Nicholas Johnson and Sammy Lamanuzzi for being here since Kindergarten as well as Giancarlo Elisii who I met in grade seven, I am happy to graduate with these three. Thank You Selwyn House.

I would like to thank my parents for giving me the wonderful opportunity of attending Selwyn House for 12 years and the rest of my family and friends for supporting me all the way through it. Thank you to Mme. Arseneault who has done everything to help me not fail my French classes, Ms. Montgomery, the best Math teacher of life (sorry for getting that Subway), and Mr. Downey for always having my back and motivating me everyday. To all the boys, all I've gotta say is thanks for the ride because it has been a great one. The best of all: it has only just begun.

My past five years at Selwyn have been the best years of my life. There is not much more to it. Five years ago was the first time I walked through the doors of the school in a Selwyn uniform; and I haven't looked back since. Something that a lot of people don't mention when they talk about how great their experience was is the teachers. I'd like to thank all of the teachers who went the extra mile and helped us do the best we possible could throughout our years at Selwyn, as well as teach us valuable lessons that extend beyond the classroom; which coincidentally, is where the most character building things took place. Whether it was late nights you know where with GP, SL, and NB; nights on the box playing Humus or Halo with SS and LO, it seems as if the best times were never in school but always involved the friends I made at Selwyn. The most memorable parts of my time at Selwyn were the sports team, whether it was a perfect season with the hockey team, playing on the Senior Football team for three years or going to Italy for a "rugby" trip, I always felt most at home on the field with my brothers.

My five years of attending Selwyn House have been some of the best years of my life. There are many people who I would like to thank; the Selwyn House staff, my boys, my family, etc. But the people I would really like to thank are my parents. My mom and dad, I feel, have made me become the man I am today, and I'm proud of it. I am also proud of them because being a parent isn't an easy task. I don't think I would be able to succeed the way I want to without them and the help and care they have given me. I hope for the best for my two younger siblings and that one day they give me a shoutout on their own grad write-ups.

For the boys: Wow. I'll miss seeing you beauties at Selwyn and I wish you guys all the best in your future and wherever you guys may end up. I will be going to Marianopolis in Commerce and hopefully still see a lot of you guys around.

I would like to thank www.sparknotes.com and Tylenol. The years have gone by so fast and as my time here is drawing to an end, I have to say it has been a memorable 11 years at Selwyn House. I came into this school as a shy little boy, and I am leaving as a mature young man. I will forever be grateful to have had the opportunity to attend such a school. I'd like to thank my parents for their unwavering support throughout my time at Selwyn. I would also like to thank my mentors RM and CN, a.k.a. Zulu Man, for an amazing 5 years of wrestling. It's been an honour to play for the Gryphons' soccer, wrestling and rugby teams. Shoutout to my boys: my bro for life KK, my henchmen Tony & Nighthawk, KP, WM, DM, NP and the Sultan MB. To my brother Sal, thank you for being a great role model, for your wise counsel and all those philosophical conversations we have every other day. I guess this is the end of the Vaccarino dynasty at Selwyn, for now... To the class of 2015, I wish you all the best of luck. Congrats boys!

Being at Selwyn for 5 years has really been an unbelievable experience. There have been so many memories that have happened over the years it is impossible to name them all however, they will be memories that are never forgotten. I'd like to thank all the teachers that I have had over the years, and thank them for putting up with me. You have truly made me a better student over the years. I would also like to thank all the coaches that have coached me over the five years. Thank you for being on the sidelines, and making sure I excel. It has been the best 5 years of sports I can ask for, too bad it's over so fast. The trips I went to over the years were unforgettable ones. Bermuda was 2 and half days, but one of the best trips I've ever been on. Also, we definitely can't forget about the Grad Ski Trip. Lastly, I would like to thank all the boys for being on this journey with me. Without you guys, the past 5 years wouldn't be any fun. I hope we can all stay in touch, and never forget the memories we made together. From all the trouble we got into, to all the noise me made, to all the teachers who got mad at us, what's high school without a bit of fun?

My 5 years at Selwyn House flew by, as it feels just yesterday I walked through the doors, entering a place where I didn't have any expectations or anyone I knew. It's amazing how that changed in just 5 years. It has been easily, the most memorable and exciting years of my life. More important than the events I have experienced, are the people I have met. The Selwyn Fam. From teachers to students and friends to acquaintances, everyone at Selwyn has been involved in my educational career in one way or another. These past 5 years have taught me to become the person I am today and I thank Selwyn for that. From Terrasse to Tikki Beach, unforgettable moments will stay with me forever. In Grade 7, during assemblies, I looked up to the grade 11's, thinking one day I would be standing in the back of the room, as the leaders of the school, and this year I had the chance to experience just that. I want to thank all the teachers that have been there for me, since I know, it wasn't easy having me in your classes. Finally, Boys, we lived some amazing moments in the past years, but, in the end, malheureusement, c'était nécessaire. #SHSLIFE

Isn't it funny how sometimes you go from hating something to loving it? That was the case for me with Selwyn. I came in Grade 5 from London, Ont. I wasn't keen at all, I wanted to stay and grow up in London. Fortunately for me, my parents forced me to try Selwyn and I have loved it ever since. Selwyn is all I have known for 7 years and I am sad to be leaving it. I had an amazing experience and I hope everyone appreciates this as much as I do. As boys, we have developed and matured to the grown men we are today. We have developed bonds and memories that we will cherish for a lifetime. We have become one big, at times dysfunctional, family. I am proud to say that I consider you all to be my brothers. I would go through anything just for you. I would like to thank all of you for shaping me into the man I am today. You guys have pushed me out of my comfort zone and I am forever grateful. Hopefully, we will stay in contact because who knows what will happen? I believe we have developed a brotherhood like no other. You guys are my second family. My greatest memory is coming to school just to be with you. We are all Gryphons. I love you guys. You are my brothers, my friends, my family.

I came to Selwyn in Grade 9, and since then it has been a great experience. I learned a few things at Selwyn House:

1. I don't have the patience to become a high school teacher.
2. Drawing is not a career path for me.
3. There is no such thing as too last minute.

Thanks for a great three years; it's been one hell of a ride.

I'd like to congratulate the Class of 2015 on your achievements and welcome you into the Selwyn House Old Boys' Association (OBA). As you begin new, exciting stages in your lives, I wanted to provide you a brief synopsis of the OBA, its main focuses, and how you can get involved. The OBA is the collective body of past students who have attended Selwyn House throughout its history. Today, the OBA is represented by over 2700 Old Boys, in 42 different countries around the world.

As a SHS student, your peer group generally consists of boys your own age, either from your own class, or the grades clustered around yours. As an Old Boy, your peer group changes considerably. The OBA has helped cultivate many friendships and connections between Old Boys of various ages and from different generations. Whether you attended in 1965 or 2015, the School, and its spirit of Veritas, has helped to foster among its graduates certain passions, interests and character traits which transcend age. The OBA has two straightforward objectives: (i) providing channels for Old Boys to connect and re-connect with each other, and (ii) fostering regular collaboration between Old Boys and the School. Our aim is to help you strengthen these bonds through a combination of organized events and informal exchanges.

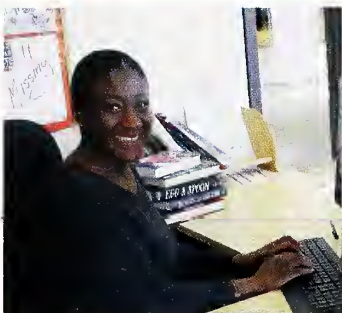

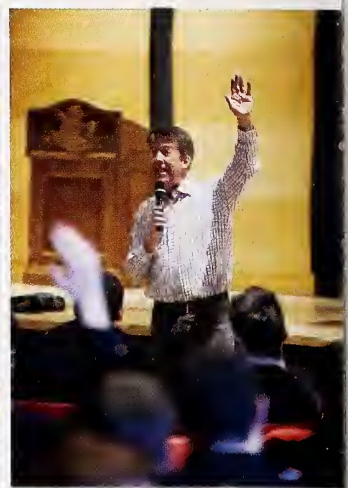

Participation in an organized event might mean attending a reunion held in some of Europe or North America's major cities; it could be through competing in one of the sports tournaments held in Montreal; or by joining the Toronto Chapter on its annual golf outing. On an informal basis, weekly time slots are available, in Montreal, for Old Boy musicians or athletes to get together, to practice or play recreationally. There is a robust online network accessible, to help connect Old Boys with overlapping passions, fields of study, or career arcs. Finally, there are opportunities to volunteer your time and support, to help contribute to the School and its Community. Today, our message to you is simple: as you continue to grow, we encourage your participation by "giving to and taking from" the OBA. Please give some of your time back to the School; support your classmates during their times of need; and give a chance to a younger Old Boy, should he contact you seeking advice. Conversely, take the time to enjoy the OBA events; take the opportunity to lean on the OBA to help get you started in a new career or a new city; and take advantage of the OBA network to connect and re-connect to both new and familiar faces.

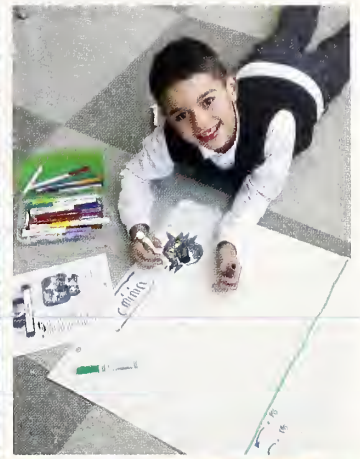

Best of luck to the Graduates next year!

"If you can dream it, you can do it" -Walt Disney

Your Name

*You got it from your father,
t'was the best he had to give,
And right gladly he bestowed it
It's yours, the while you live.*

*You may lose the watch he gave you
and another you may claim,
But remember, when you're tempted,
to be careful of his name.*

*It was fair the day you got it,
and a worthy name to bear,
When he took it from his father
there was no dishonor there.*

*Through the years he proudly wore it,
to his father he was true,
And that name was clean and spotless
when he passed it on to you.*

*Oh there's much that he has given
that he values not at all,
He has watched you break your playthings
in the days when you were small.*

*You have lost the knife he gave you
and you've scattered many a game,
But you'll never hurt your father
if you're careful with his name.*

*It is yours to wear forever,
yours to wear the while you live,
Yours, perhaps some distant morn,
another boy to give.*

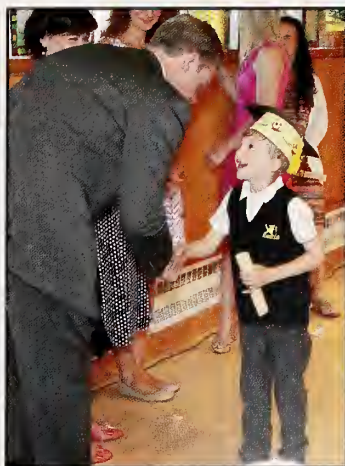

*And you'll smile as did your father,
with a smile that all can share,
If a clean name and a good name
you are giving him to wear.*

We are all so proud of what you have done both on and off the field. New challenges await you at St Paul's and the future is very exciting, but none of it would have been possible were it not for your experience at Selwyn.

Live it! Love it! Appreciate it!

Your mom and your other chauffeur will miss you.
